If anyone gets photos send to Justin to upload.

Summer Picnic- August 28th - Lisa B sent emails to seniors about hosting picnic. Not a good response. Looking at YMCA. Lisa Burkhart will continue to look at options.

For community support it was discussed that each player bring 1-2 cans of food to picnic to donate to Open Line.

Warm up shirts - Lisa B still looking at pricing and design options.

Banquet-

Eric recommended a caterer to use. 4 hot choices, plus cold, includes plates, napkins, etc. \$7.45 per person

All we need to do is get a venue. Will need someone to chair this event when time comes.

Mark Toomey will look into Sweet Water Golf Course banquet room & Lighthouse Church.

Mary Lavin will check into St. Philip Neri Social Hall.

Last year 150 people showed up.

Previous prices for venues were : New Goshenhoppen \$250 & St. John's \$150.

Discussions on possible senior projects that will help the community.

1- Pass Back Program

Gather old equipment and give to others.

2- Provide for a needy family

Around holidays pick a family and all players donate things. Open Line was suggested to give ideas for which family or families to sponsor anonymously. The players are the ones who gather things and deliver them to recipients. Great way to see how time & efforts can positively impact others.

New Business:

Snacks on bus for away games

Mike Freed would like to see a drink & snack on the bus for the players.

Do we have money in budget for this expense? Mary Musselman checking into Costco membership.

Volunteer assistant coaches for upcoming preseason practices

Mike Freed has a list of college students and former players he would use as assistant coaches. He wants to make sure Kicks Club supports paying a small stipend to these volunteers as a thank you for helping.

\$20 per person per session with a \$500 cap. This is for both boys and girls teams.

1st motion = Mark Toomey
