

Upper Perkiomen Kicks Club

Minutes from April 5, 2010

In attendance: Lisa & Dave Burkhart, Kim Licata, Christine Vogel, and Tina McHale.

Meeting held at Tosco's due to the fact this was a fundraiser night.

*Unanimous decision to hold off on the Tosco's Nights until the season starts. Then we will hold the one at the end of Aug., one in Sept. & one in Oct.

*Discussion about scholarships. It had been brought up to Lisa that the Kicks Club discontinue the scholarships. Unanimous decision to continue. The same process will be followed. We ask the Coaches for input on who meets the criteria in their eyes and then the Board members will decide. No girls were recommended. We are still waiting for boys' coaches to give input.

Practice T-Shirts - Light colored shirt was decided on and the phrase "We are One" is popular. Order is due in July. Decided to cut back heavily on the amount ordered. They will be offered to the Middle School players, but on a first come first serve basis.

*Mums - We will proceed with this fundraiser. Tina McHale is in charge. Looking at 3rd Saturday in September for delivery.

*Discussion held about home soccer games. They will be held on new Turf fields. Will the snack stand be open? Is this the Sports Boosters area? Or is the Kicks Club responsible? Who gets profit?

* Clothing Sale- Decided to continue this also. Lisa & Dave in charge. Possibly sell items at snack stand during home games if we are in charge.

Dave Burkhart = Webmaster Discussed possibly posting minutes on webpage.

Tina McHale will contact Open Line to see if they are in need of back to school supplies. Kicks Club will collect these or have a food drive...
